If you have already registered and like to add a booking please write to spsim2019@bfh.ch.

Conference Dinner

Welcome to the Conference Dinner in idyllic Swiss surroundings:

We will enjoy this year's Conference Dinner at Restaurant zum Schloss Köniz. We will start with an aperitif in the courtyard. Situated nearby is the pretty Bern School Museum where we will get a short introduction in the ancient world of Bernese schools. Dinner will be composed by fresh and locally produced ingredients, we will relish a three-course meal.

Schloss Köniz is easily attainable via public transport as well as bike or car. The journey from the conference location takes approx. 20-25 minutes. You can book the Dinner when registering for the Conference.

We are looking forward to seeing you in Bern.

Yours sincerely
